Would you like to serve as a Teacher or Assist with Children

This advice is for those friends who are giving volunteer service as children's class teachers. You will need to have Enhanced Disclosure for teaching children's classes. If you do not possess the necessary Enhanced Disclosure document, you can apply for one by contacting the Baha'i Council for Scotland secretary, Anwen Shahim, at [anwen.shahim@dsl.pipex.com](mailto:anwen.shahim@dsl.pipex.com) if you would like to take this great opportunity to serve at this year's Summer School.

As a teacher/assistant, you will be involved with the general care of the class, as well as planning the classes that you will be taking.

If you would like to participate with children's classes, please could you e-mail me as soon as you can, and let me know which age group you would like to work with, whether you have a disclosure for working with children (not essential but very useful), and at what times and on which days you would be able to take/help with classes.

Your support and help would be greatly appreciated!  
Baha'i love  
Peter
